

# Year 4 Home Learning

## Term 2 Week 2

Monday 26/04/2021 - Friday 30/04/2021

## Reading

Remember to record in your '[Year 4 Reading Log](#)' and get a parent to sign each week.

### Spelling List

† "ch" as in nature

- Remember to highlight the 6-8 spelling words that you are studying this week.
- Add in BOB words if they have been allocated
- Choose ONE activity to complete from the 'Home Learning Spelling Activities' sheet

*future*

*nature*

*picture*

*creature*

*feature*

*capture*

*fixture*

*mixture*

*fracture*

*structure*

*furniture*

*moisture*

*scripture*

*puncture*

*structured*

*naturally*

*captured*

*adventure*

BOB Word 1) \_\_\_\_\_

BOB Word 2) \_\_\_\_\_

### Mathematics Task

Addition Squares

- Reflect on the different **strategies** we have used this week in addition and subtraction.
- Show your working out in your home learning book

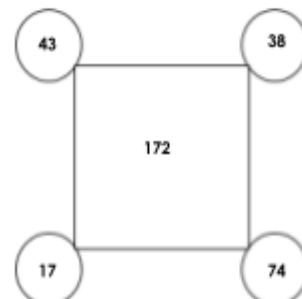

#### Addition Strategies:

- Number line
- Known facts
- Doubles
- Near doubles
- Halving
- Partitioning
- Compensating (rounding)
- Formal algorithms

#### Instructions:

- Draw a square
- In each corner of the square, write four numbers. Your numbers must include:
  - 2 digits (e.g. 43)
  - Not ending in 0, 1, 5
  - Combination of odd and even
- Add the 4 numbers together and write the sum (total) in the middle of the square.
- Identify the strategy used

#### For example:

$$40+30+10+70=150$$

$$3+8+7+4=22$$

$$150+22=172$$

Strategy used: partitioning

#### You are invited to extend yourself:

- X1 two digit, x3 3 digit
- X4 3 digit
- X2 3 digit, x2 4 digit
